

Dear Colleagues!

We invite you to take part in the scientific colloquium "Trends in the development of the agricultural sector of Ukraine in terms of socio-economic and political instability" of the Department of Industrial Economics of the Odessa National Academy of Food Technologies.

The colloquium will be held on May 15 at 14.30 by address: Odessa, Kanatnaya Str., 112, Building A, Room A-416.

We sincerely look forward to seeing you at our event.

The aim of the scientific colloquium is to discuss the current level of development of the agrarian sector of Ukraine, the analysis of development trends in the global and national dimensions, to develop proposals for the further development of the food market, improving their quality and availability for the general population in terms of socio-economic and political instability.

The organizer of this colloquium is the Department of Industrial Economics of Odessa National Academy of Food Technologies.

The format of the colloquium are plenary sessions of each cluster.

Subjects of the colloquium

1. Megatrends of agricultural production.
2. Economic aspects of development of food industry
3. Socioeconomic dimension of sustainable development of agro-food sector
4. State support of development of the agricultural sector in terms of economic instability.

Reports enunciated during the colloquium will be published before the start of its work in the form of the monograph or collection of articles.

Please submit the text of the report before May 5, 2015.
