## Certificate № 570

of Advanced Training

This certificate confirms that **Alexandr Pavlov** took part in the training program of the scientific and pedagogical staff, which took place in the Mendel University in Brno (Czech republic) with the support of Eastern European Center of the Fundamental Researchers during May-June 2016 in the following scientific fields:

- innovative methods and approaches in education;
- economy, finance and modern business;
- project management in the field of the scientific research;
- the methodology of the modern scientific research;
- psychological and pedagogical bases of the knowledge transfer;
- organization of the students' scientific work;
- economics and organization of the higher education.

The scientific report is made upon the theme "**Problems of the sustainable development of the agro-food sphere in the context of the rurality as an interdisciplinary scientific branch**". This report has received the positive feedback from the participants and members of the organizing Committee.

Total: 150 hours, including 36 contact hours, 72 individual work hours and 42 hours for the scientific report.
