Dear Prof. Dr. Pavlov

I hope this e-mail finds you well.

We are delighted to invite you to take part in the conference "European Agriculture and the New CAP 2021-2027: Challenges and Opportunities". It will be held in Sofia (Bulgaria) on October 23-25, 2019. The conference is Sixth in row and is organised by the Institute of Agricultural Economics - Sofia.

The goal of the conference is to gather researchers with different perspective, which can show their recent analyses and studies on the topics related:

1. Lessons from CAP Evolution
2. Insights from different models on agricultural and rural support
Socio-economic challenges in rural areas
3. Agricultural and commodity markets
4. Food value chain
5. Circular Economy and Agriculture
6. Agri-environment and sustainability

We will be able to cover daily local costs (accommodation and food). Due to budget limits, we won't be able to cover the flight fares and will ask you to book your own.

If you have additional questions, do not hesitate to contact us.

We had a pleasure to have some of you in Bulgaria before and looking forward greeting you again later this year.

Sincerely Yours

Director:

Bozhidar Ivanov
